Organized By:

Department of Computer Science & Engineering

GuruNanak Institute of Technology, Kolkata, India

Guru Nanak Institute of Technology was instituted with a vision to empower the aspiring professionals with the technological knowledge and professional expertise under the aegis of JIS Group Educational Initiatives in the year 2003. This technical campus offers undergraduate and post graduate courses under MAKAUT (formerly known as WBUT) and some courses are NBA Accredited. The Institute is approved by AICTE and accredited by UGC, NAAC and located in one of the prime locations in North Kolkata near Sodepur. The Institute offers latest technology oriented courses as per industry trends and nurtures creativity, innovations and research initiatives both at faculty and student levels to enrich and enhance the teaching learning process. This approach equips the students to keep pace with the dynamic evolution and changing demands of science and technology both in academics and industry. The trend-setting academic endeavors of GNIT have produced some of the finest scholars and ace industry professionals. The college alumni are working creditably well and have brought fame and laurels for both the institute and themselves.

ISACS

ISACS 2022 will cover all aspects of Intelligent and hybrid system, Intelligent software architecture, Machine learning and analysis, Sensors and smart applications. This international conference will provide a platform to the participants to share their views and ideas on latest technological developments in an inter and intra disciplinary perspective.
